

Lodging Information

2024 EUVL Source Workshop

October 19-23, 2024
ARCNL, Amsterdam, Netherlands
(Updated June 28, 2024)

1. The Manor Amsterdam

<https://www.themanorhotelamsterdam.com/en/>

A code for the discount is **EUV2024**. This code will give a discount of 17% per room per night. The price of the room includes breakfast, which means that another 17% discount is given for the breakfast. The discount is given for overnight stays covering the period from October 16 to 24, 2024. There is no deadline for booking your room. If you book a day in advance and there is still availability, the discount will be given.

2. Jan Luyken Amsterdam

<https://www.janluykenamsterdam.com/>

This is a new hotel in the same hotel class as The Manor, but the concept, that you will feel "at home," is innovative. The hotel is exclusively available for guests. Next to your room are common areas that include a living room, gym, garden and kitchen, all of which you can use when you feel like it. For more information, read the Jan Luyken website. For this accommodation no discount will be given.

3. Hotel Casa Amsterdam

<https://hotelcasa.nl/>

A code for the discount is **ARCNL DISC**. This code will give a discount of 10% per room per night for overnight stays from October 20 to 23, 2024. There is no deadline for the booking to receive the discount. If you book a day in advance and rooms are still available, the discount will be given.

4. Van der Valk Hotel Amsterdam

<https://vandervalkamsterdam.com>

Van der Valk Hotel Amsterdam Amstel does not work with promo codes. Instead, the hotel provides "early bird" rates.

For the agenda outline and the registration information, please visit our website at www.euvlitho.com.

Transportation Information

There will be a shuttle bus that will pick up participants for the Workshop on October 21-23 and drop them off after the event. We will update this document with details, including pickup and drop-off locations and timings, as we get closer to the event dates.
